Rev. and Mrs. Vergil L. Hudson

Rev. V. L. Hudson Accepts Pastorate In Portsmouth

The Rev. and Mrs. Vergil L. Hudson, shown above, will be leaving Appomattox County very soon as he has accepted the pastorate of a church in Portsmouth, Virginia.

Born in Burke County, North Carolina and reared in Prince Edward County, Virginia, the Rev. Hudson came to Appomattox County in 1959 as pastor of Evergreen Baptist Church where he has remained until the present time.

He will assume his duties as pastor of Pinecrest Baptist Church in suburban Portsmouth, Virginia January 1, 1974. Mr. Hudson says the change will offer an opportunity and a great challenge to him but he regrets leaving the many friends here in our county and in surrounding areas.

Rev. Hudson is married to the former Miss Glenda Pond of Louisville, Kentucky and they are the parents of two daughters, Leonda, a senior at Roanoke College, and Lynnette, a 10th grade student at Appomattox County High School.

The Hudson family will be missed by their many friends in the area but we sincerely wish them the best of everything in the work they are undertaking in their new church.

Subscription Rates To Advance Jan. 1

Because of the increase in the cost of newsprint, in the cost of ink and in the cost of labor, the TIMES-VIRGINIAN will increase all subscription rates 50c per year effective January 1, 1974.

The new rates will be $4.50 for subscribers in Appomattox, Lynchburg and all adjoining counties and $5.00 a year elsewhere.

If you are not a subscriber now, take advantage of this special money-saving offer and start receiving the TIMES-VIRGINIAN now at the regular price. If you are already a subscriber, your paper will be extended a year from its present expiration date if you pay before December 31st. You may renew for as many years as you would like, thus saving money before the new rates go into effect.

Appomattox Youth Association To Meet

The Appomattox County Youth Association will meet on Thursday night at 7:00 p.m. at the Fidelity National Branch Bank.

The main business for the evening will be to discuss basketball and baseball for the coming season.

All members are urged to attend.

Supervisors Delay Adoption of Building Code Ordinance

In a special meeting of the Board of Supervisors of Appomattox County held last week on Tuesday night, November 27th, the adoption of the Building Code Ordinance was postponed until the regular meeting of the supervisors which is set for December 14th at 9 a.m. in the Clerk's Office.

At this time they are continuing to revise parts of the ordinance with plans to adopt the Building Code ordinance at the December 14th meeting.

Mr. Steve Bowling, Building Inspector, is available in an advisory capacity during the entire month of December and at the request of building contractors, plumbing contractors, mechanical or electrical contractors will inspect and advise as to whether they are meeting the Statewide Building Code as required by law.

CHRISTMAS OPEN HOUSE

The Appomattox County Extension Office will be observing Open House through December 7th, 1973, from 10:00 a.m. to 4:30 p.m. each day.

Christmas gift items will be displayed and a recipe and idea booklet will be available to each person visiting the office. Refreshments will be served.

You are cordially invited to come by and get ideas for your holiday preparations.

SEND IN YOUR LETTERS TO SANTA CLAUS

The **Times-Virginian** will be very happy to print in the newspaper letters to Santa Claus from children in the county.

If you have young children who would like to have their letters to Santa printed in this paper, please have them mail them in or bring them by the office of the **Times-Virginian** as soon as possible.

We feel sure that Santa, as well as so many other other people in our county and elsewhere, will see and read all the letters sent in.

Post Office Holiday Schedule

Window service at the Appomattox Post Office will be expanded to provide service from 9 a.m. until 12 noon on Sat., Dec. 1, and Sat., Dec. 8. Window service at Pamplin will be normal which includes Saturday service from 8:30 a.m. until 12 noon.

This additional service and the dates coincide with the **CHRISTMAS MAIL EARLY WEEK", Dec. 3-8, and the Postmaster General's plea for everyone to mail earlier than last year, due to the energy crisis.**

MAIL EARLY IS THE SINGLE MOST HELPFUL THING YOU CAN DO AND THIS IS ESPECIALLY TRUE THIS YEAR. We originally requested Mail Early dates one week later, but because of the seriousness of the fuel shortage which requires reduction in the number of scheduled airline flights and the 50 mile-an-hour speed limit for postal and contract vehicles, it has become necessary to ask you to place in the mails all domestic first class (including Christmas cards) by Dec. 8 and domestic surface parcels by Dec. 3. Airmail parcels and airmail letters need not be mailed until Dec. 15 in order to insure that these Christmas messages and gifts be delivered on time for the Holiday.

Rural customers are again reminded to purchase their stamps in advance and affix them to all letters and cards mailed during December. The additional volume of mail alone forces the carriers to work longer hours, and they do not have time to affix stamps to several thousand cards and letters.

Pack and wrap all parcels securely. Include a slip of paper with the name and address of addressee, and also your return address, inside the parcel. If the ouside wrapper is torn or mutilated, there will be identification inside. The 8¢ rate is in effect for all greeting cards, sealed or unsealed. Please separate letters and cards into two bundles and mark them "APPOMATTOX" and "OUT OF TOWN".

The delivery of two babies within minutes of the hospital topped the list of calls.
